Conference Disaster Response Team

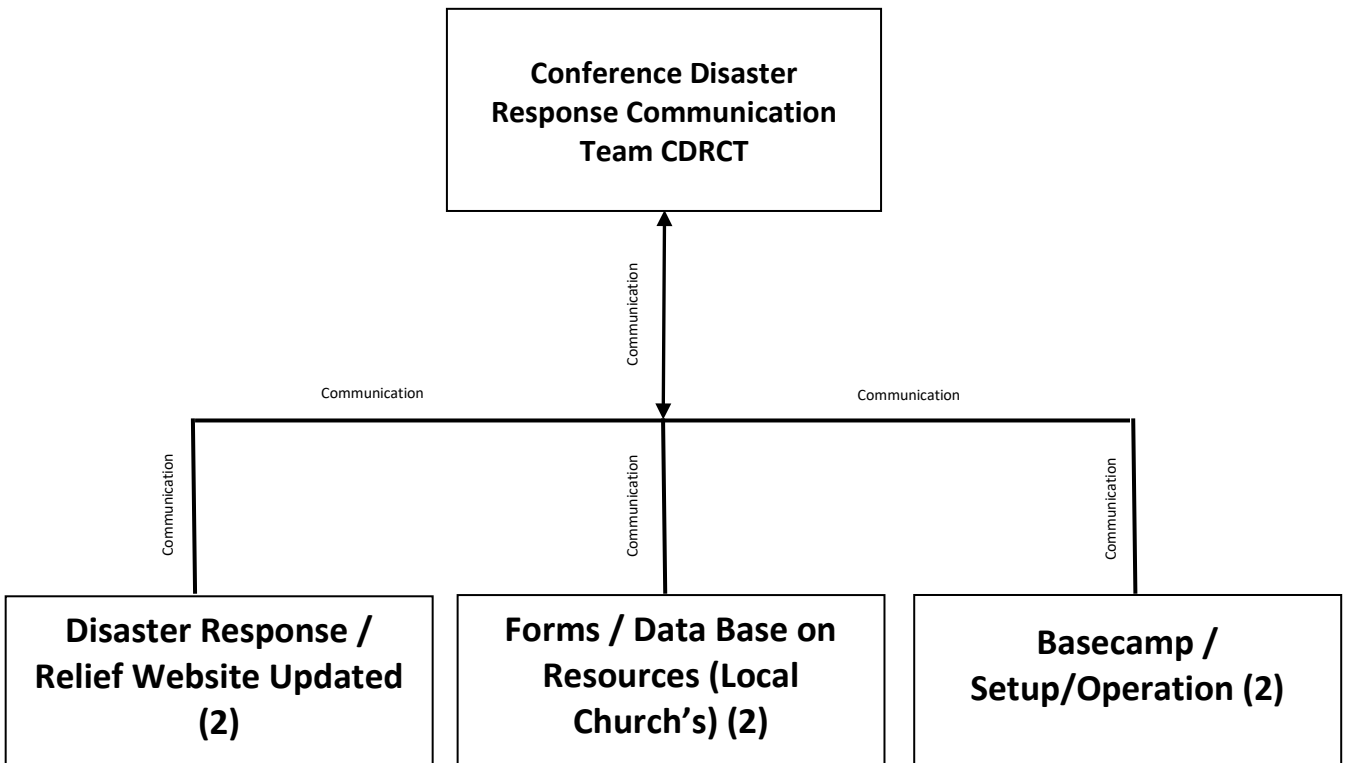

AECC Disaster Response Organization / Makeup

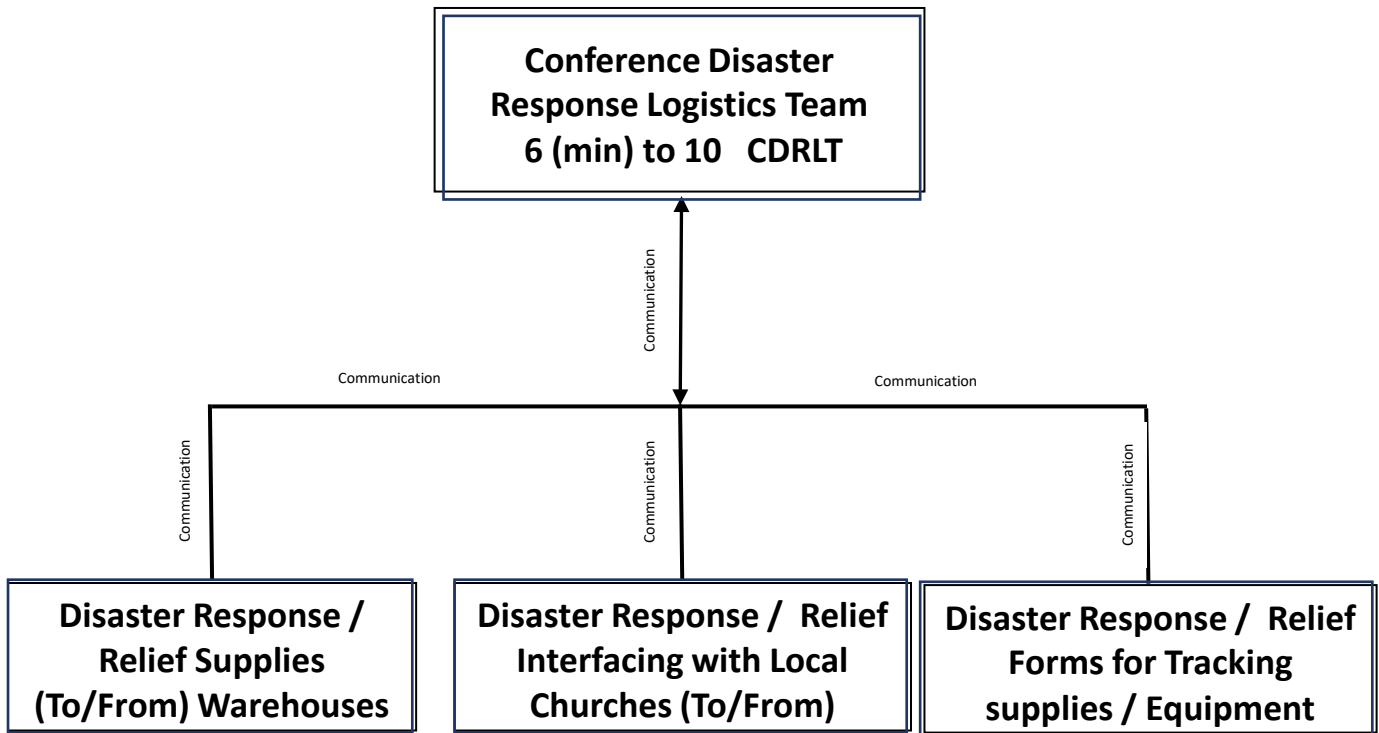

Conference Disaster Response Communication Team CDRCT (3 or 6 members)

This Team is made up of a least 6 volunteers for all over the conference that aid in a time of disaster making sure communication between conference, Districts, and local Church's happens. They will also manage the Conference Disaster Ministries page, updating it with information about training, places in and outside of the conference that need disaster teams, registration for incoming Disaster teams outside of the conference, maintain document control in the cloud and many other functions. This area was really needed during hurricane Michael where no communication was available in the first 48 hours after the storm hit.

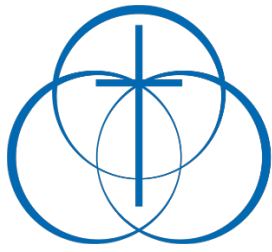

Conference Disaster Response Logistics Team (3 or 6) CDRLT

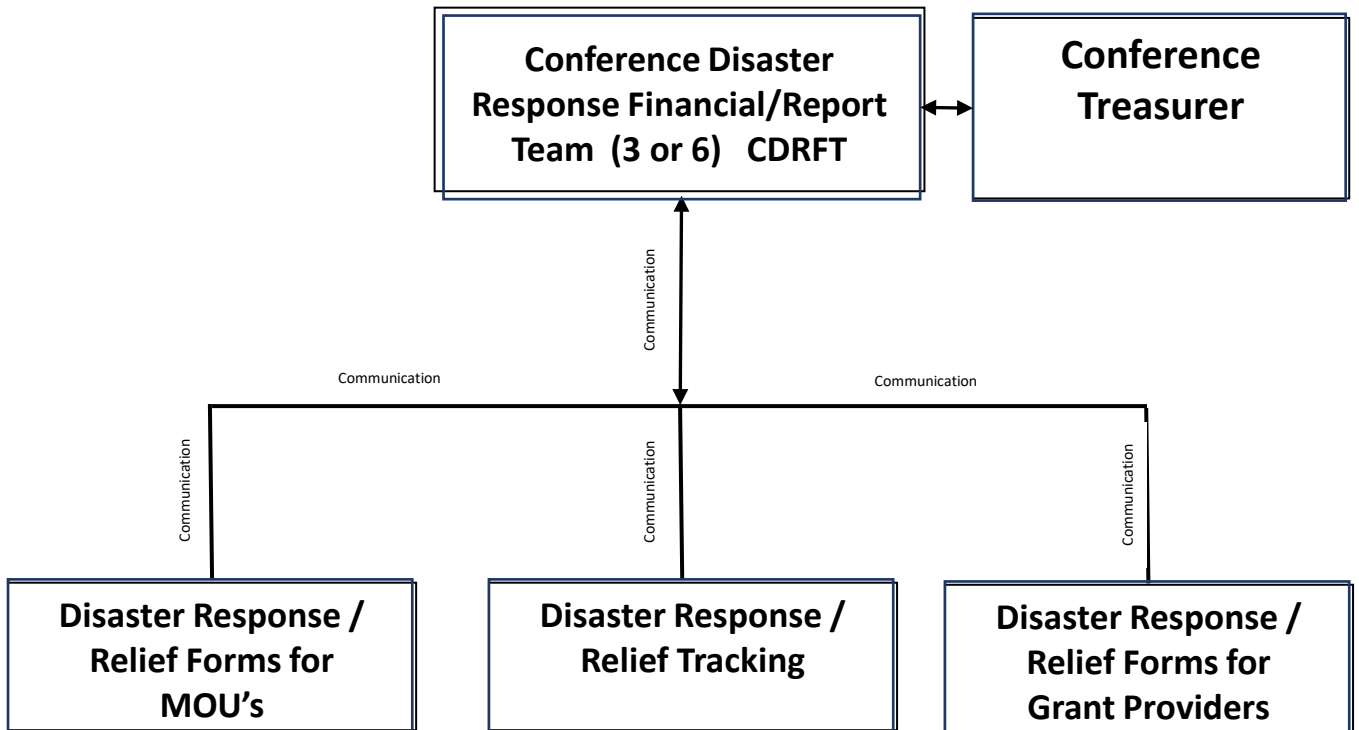

This Team is made up of a least 6 volunteers for all over the conference that aid in a time of disaster making sure logistics happen between conference, Districts, and local Church's happens. They will manage logistic problems like getting equipment needed (Heavy Equipment, infrastructure needs, trailers, fuels and other logistical items needed) for a disaster, working with local churches in getting transportation for supplies in (from outside sources) or out (the supplies go to to a disaster or warehouse), they will work in keeping update list on what equipment local churches have and is available for a disaster, and other logistical needs that might be needed.

This area was really needed during hurricane Michael where we had to find ways to unload trucks, people we calling they had supplies to donate and know one knew where to store them in the first 48 hours after the storm hit.

Conference Disaster Response Financial/Report Team (3 or 6) CDRFT

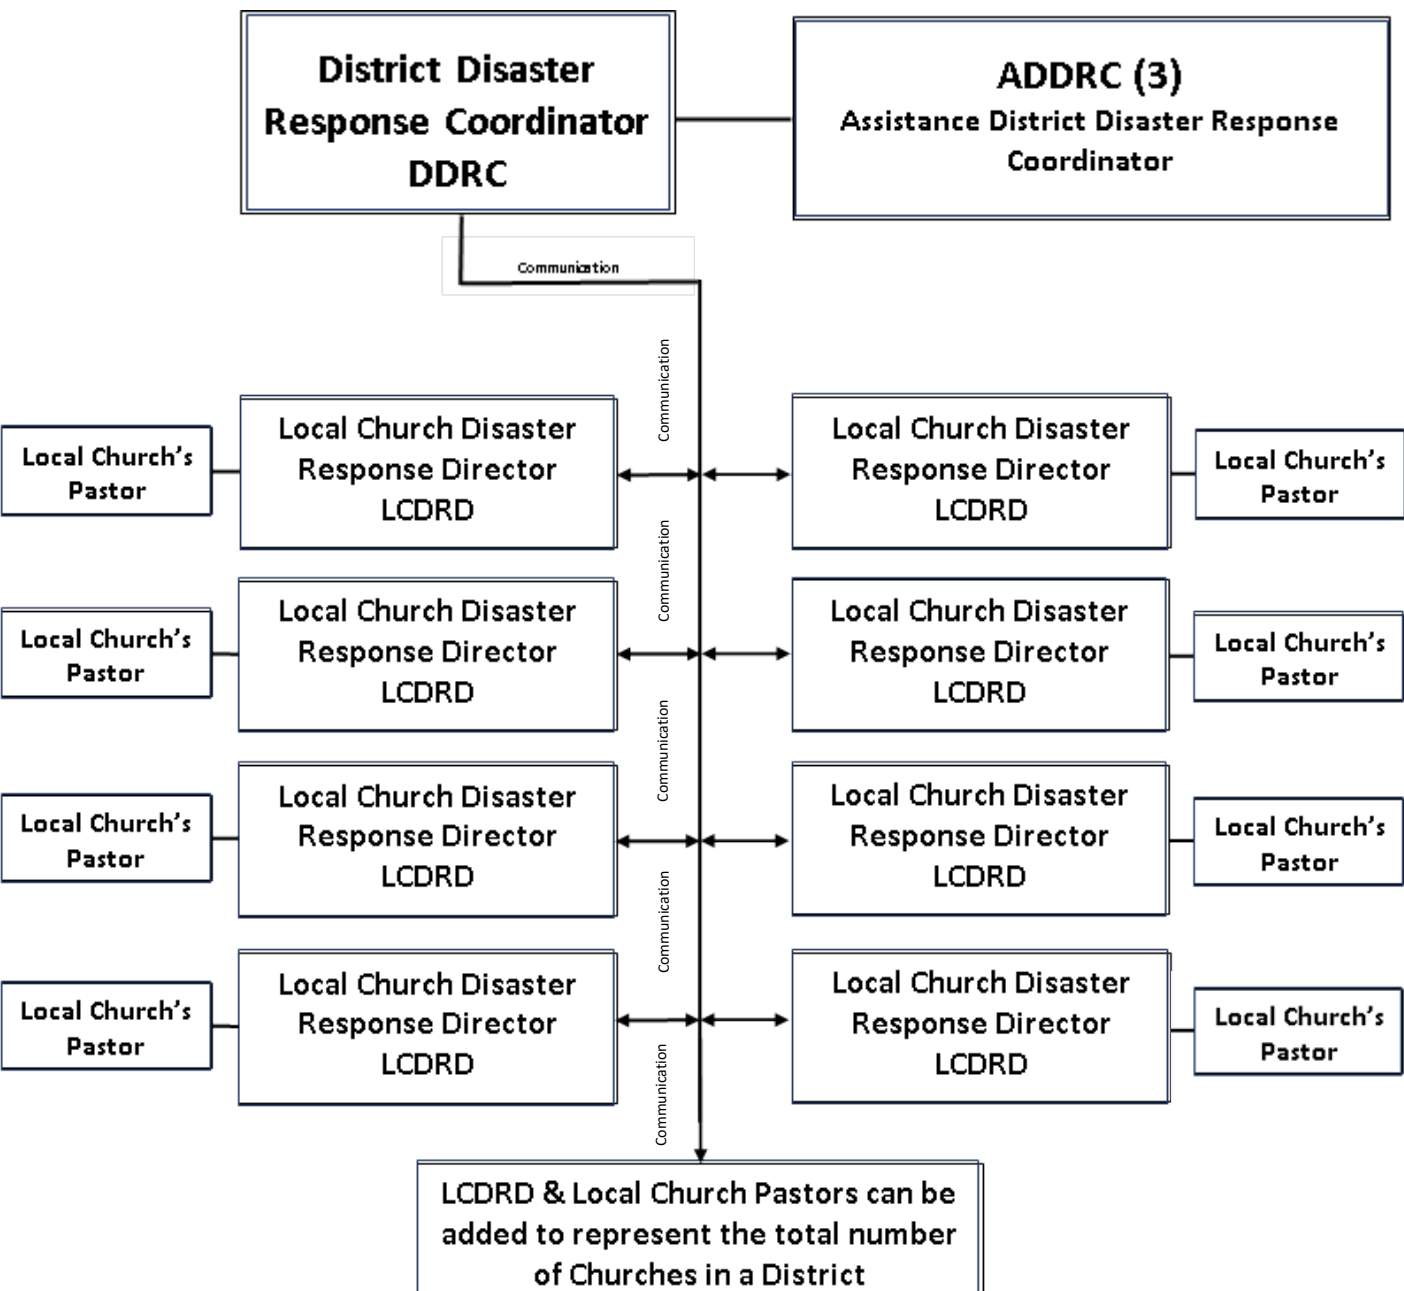

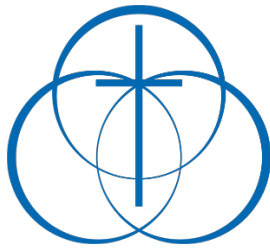

This Team is made up of a least 3 volunteers for all over the conference that aid in a time of disaster making sure Reporting / Financial tracking is done with money received from local churches, other GMC Conferences, and other agencies is track and used properly by the reason it was collected or memorandum of understanding MOU. They will work hand in hand with the conference treasure and the conference disaster response coordinator in making sure all report are arrurate and done in a timely manor. Also, they will make sure all MOU are followed.

This area was really because this was previous done by UMC Conference staff, and if we are keeping the cost down, we need volunteers to make this happen.
